Dear Sir/Madam:

The contents of this package include DOMESTIC CAT tissues only, used for genetic testing purposes. This shipment DOES NOT include any equine, ruminant, swine or avian species tissues or material in transport media. The cats from whom these tissues were taken were NOT inoculated or exposed to any infectious agents of any type, particularly of agricultural concern. This shipment complies fully with USDA Guidelines for Importing document #1102 which is attached. Thank you in advance for your consideration in prompt handling of this shipment.

Cordially,

Henry J. Baker, DVM
Professor and Director
USDA Veterinarian 0458
